How did you hear about us?		

I consent to be a patient and agree to radiographic and clinical examination. During the course of treatment, I may undergo procedures in all phases of dentistry including periodontics, oral surgery, endodontics, fixed and removable prosthodontics, implant dentistry, restorative dentistry, temporomandibular disorder treatment, sleep apnea treatment, oral pathology, pediatric dentistry, and radiography.

I will provide a thorough and complete medical history, supply a full list of my medications with dosages, and consent to my dentist communicating with my other medical practitioners to inquire about any aspect of my health history. I agree to update this information periodically, or as needed.

I understand no guarantees can be made about treatment outcomes, restoration longevity, or prognosis. I understand that any branch of medicine, including dentistry, can involve unanticipated results. I understand my treatment plan may change at any time and I will do my best to approach my dental care with optimism and open communication with my dentist, hygienist, and dental office staff. I am welcome to ask questions about any aspects of my dental care and will request information if I am confused or need more information. I am responsible for clarifying any aspects of my treatment that I may be unsure about.
